Electricity/Water:

Limited electric service is available outdoors, and only in the top two bays of the Large Parking Lot. Please indicate below if you plan to bring a generator or use 110 outlet provided. Access to water is available upon request, hose not provided. There are interior restrooms on site.

_____ Using on-site electrical hookup _____ Bringing generator

Parking:

Parking of Food Service Vehicles is not permitted in the Fire Lane, or in any location that may block an entrance/exit, or a handicapped parking area. We recommend parking across several regular spaces in one of the two upper bays of the general parking, particularly if you wish to have access to the electrical outlets. You can check with an on-site employee (Amanda Griffey or Courtney Smith) to be sure you are parked in an appropriate area.

Menu:

Please include a copy of your menu, or list items you intend to sell below with prices.
